

Grow your business

as Stoneridge | ORLACO partner

Join our Partner Network and grow your business as an Orlaco Preferred Partner. Do you want to sell, world-class camera-monitor systems in your region? Then seize the opportunity to become an Orlaco Preferred Partner.

Orlaco is the leading manufacturer of camera monitor solutions for heavy duty vehicles and vessels. We develop robust and professional vision solutions for every situation to increase safety, efficiency and comfort. Enhancing the operator's vision is our mission.

Orlaco is looking for qualified companies to market our vision solutions in specialized markets like: commercial trucks, cranes, forklifts or heavy equipment. Is your company the best connected company in the business and do you see opportunities for growth, then get in touch with us!

Strengthen Your Market Position

As an Orlaco Preferred Partner, you will have the privilege of offering our vision solutions in your region. This will strengthen your market position and allow you to supply your customers even more comprehensive products. An interesting and rewarding business opportunity.

Get in touch with us

Does your company have a strong reputation?

Are you used to working with top-of-the-bill products?

And do you have a strong service network offering excellent customer service?

If so, we would like to get in touch with you to explore the possibility of a Preferred Partnership.

Premium quality

Orlaco is the preferred supplier for leading OEMs. Our products are developed and made in Holland. As a rule we offer a 2 year standard warranty which can be extended to 5 or 7 years exclusively for Preferred Partners.

Take Advantage of Excellent Support

At Orlaco, we give our Preferred Partners all the tools they need to succeed. You will be part of our global partner network and will be able to rely on our support, including product information and marketing materials. We will also provide technical and commercial assistance.

Excellent Support

Partner Portal	access to image and video bank
Partner Event	every two years
Marketing tools	brochures, online product configuration and product information
Dedicated Support	from our Network Development Managers
Monthly Newsletter	with product news and inspiring business cases
